

My name is Tatjana Zehntner, and I am an Elementary Education graduate student – teacher in training.

I taught German for 4 years to Kindergarten, 1st, 2nd, 3rd, 4th, and 5th grade and developed a passion for teaching.

I am originally from Germany and love learning about cultures.

My favorites are traveling, educating myself with everything new, cooking, trying new foods, fishing, and I am a die-hard fan of soccer. I am also an Artist and love painting.
